

# ADOPT AN ARTIFACT

*...from The Williamson Museum's Collection.*

A primary part of The Williamson Museum's mission is to collect and preserve the history of Williamson County. Ideally, each artifact in the collection should be housed in an acid-free box and wrapped in acid-free tissue paper. Other storage needs include new shelving in the storage areas, bags for storing small artifacts, numbering supplies (India ink, B-72 acryloid and tags), padded hangers, and gloves for handling artifacts.

*You can help!*

Your tax-deductible donation to the Adopt an Artifact program will help pay for the care, maintenance, conservation, and storage of the Permanent Collection. You can name an item of your choice—a photograph, an antique tool, or a piece of glass. Or, you can let us decide for you.

Any amount is welcome, and to show our appreciation, you will be listed in our next newsletter as a proud member of the Adopt an Artifact program.
